CO TRAVELIN

I'M A **SOLO** TRAVELER !! CAN I JOIN THE TRIP?

Of course, You can join solo. The majority of people join us solo on our trips.

The idea behind CoTravelIn is to unite like-minded solo travelers like you in a parallel world and meet and co-travel with your new family.

IS THIS TRIP RIGHT FOR YOU? AND WHY YOU'LL LOVE THIS TRIP !!

- This itinerary features some long travel days, which can be exacerbated by bumpy African roads. It is recommended that you pay close attention to the given approximations of driving hours.
- As the early bird catches the worm, the early camper sights the animals. There will be many early starts either to make use of the better safari time or to beat the morning traffic.
- Venture into the incredible Masai Mara National Reserve for a full-day game drive in an open-top 4WD, looking for lions, cheetahs, elephants, giraffes and more.
- Forget battling A/C woes and noisy fans! In our national reserve havens, you'll trade them for the cool touch of nature's breeze and the symphony of crickets chirping you to sleep. Think of it as a digital detox for your comfort zone, replaced by an authentic African slumber under a blanket of stars.
- We can't guarantee every animal will pose for your Insta-worthy snaps. But hey, That's the beauty of a safari! It's an unscripted adventure, a chance to witness nature unfolds in all its unpredictable glory. Think of it like a real-life wildlife documentary, minus the narration (unless you hire your own personal David Attenborough, of course!). So ditch the expectation list, grab your explorer hat, and get ready to be amazed by whatever wonders Mother Nature throws your way.
